ALEXANDER WANG BANGKOK BY CHRISTIAN LAHOUE IN COLLABORATION WITH ALEXANDER WANG

Alexander Wang has opened its third store in Thailand at the luxury EmQuartier shopping complex in Bangkok. The 1,775sqft design features the brand's signature minimalist aesthetic, with clean architectural lines accented by marble and brushed metal elements. In addition to grey terrazzo floors, a tiered display unit for accessories anchors the entrance and suspended glass and marble shelving showcases the products while providing transparency throughout the space.
